By submitting this form, I agree to the SFED Face Database License Agreement.

1. The researcher is employed by an officially accredited university.
2. The SFED shall only be used for own non-profit scientific research. Any other use is forbidden.
3. The SFED shall not be distributed and sold to or shared with third parties.
4. The images may not be modified.
5. No attempts may be made to identify or contact the individuals depicted in the SFED.
6. Images from the publication list may solely be used in scientific publications (i.e., scientific journal article, scientific book, book chapter or conference presentation).
7. The individuals depicted in the SFED hold a right to withdraw their own photograph from the SFED. As soon as an individual makes use of this right, the researcher will receive an e-mail including the photograph number. From that point on, the researcher must not any longer use the respective images in research and

publications.

8. The use and publication of data obtained using SFED must comply with all of the above.
